<p>Auxiliary schedule S1</p> <ul style="list-style-type: none"> . Guide to the subdivision of any national jurisdiction <ul style="list-style-type: none"> * Each jurisdiction may be qualified by the entire vocabulary of Class S other than that of the Jurisdictions facet itself (i.e. by classes 2/9,A/C). But in order to secure briefer classmarks, the simple adjustments indicated below are made. * Further simple adjustments are made for subdividing supranational jurisdictions; see SG (European Union law) for a full demonstration of these. * Slightly different adjustments are made for the subdivision of international law; see SD for these. * Add to - (where the hyphen represents the classmark of the jurisdiction) numbers & letters 2/9,A/Y below. 2 <i>Primary materials, works of law</i> <ul style="list-style-type: none"> * Add to 2 numbers & letters 3/Z in Auxiliary Schedule S2. * For a detailed example of how adjustments may be made to meet the special needs of a given jurisdiction, see SN2 (English law) for countries with a unitary structure and SP2 (USA law) for countries with a federal structure. Examples of its application to civil law systems will be found at SVF (France) & SVK A (Germany). 3 <i>Secondary materials, works about the law</i> <ul style="list-style-type: none"> . <i>Common subdivisions</i> <ul style="list-style-type: none"> * Add to - numbers 3/59 following S in S3/S59. 5A .
